SPONSORSHIP PACKAGE

Plan Your Conference Experience

Thank you for planning to spend time with us at the 2019 Ontario Golf Course Management Conference (OGCMC). We're excited to host our annual conference at one of Ontario's premier winter destinations! We look forward to partnering with you to help make the most of your conference experience. The 2019 OGCMC will include two and half days of education and networking. Although we are not officially including a tradeshow, thanks to the generous size of the Blue Mountain Conference facility, table tops will be available and those who would like to showcase equipment may do so.

We offer first right of refusal on previous year's sponsorship packages, so please contact the office at your earliest convenience to confirm your participation again this year.

We have a few new sponsorship packages for you to consider. And of course, if you have thoughts on how you would like to sponsor, contact Sally Ross and let's see what we can put together to help you achieve your goals.
