

# OGSA/GTI Research Field Day

August 1, 2019 | 8:00 am – 1pm | Complimentary to attend!

Locations: Cutten Fields Maintenance Facility off College Ave. & GTI on 328 Victoria Rd. S

Begin the day with a tour the new GTI research plots and maintenance facility on College Ave, and then join Dr. Lyons, Dr. Jordan, Dr. Hsiang and John Watson at the GTI on Victoria Rd S. for an update on a range of research projects currently taking place. Wrap up the morning's events with a BBQ lunch on the GTI patio!
