

Name of Company: London Hunt and Country Club

Leadership Opportunity: Equipment Manager

London Hunt and Country Club is accepting applications to join our Senior Grounds Management Team as **Equipment Manager**.

The London Hunt and Country Club with over 125 years of tradition is one of Canada's oldest and history rich sporting institutions; including golf, tennis, trap, and skeet shooting sports. Our Club prides itself in creating an exceptional Membership experience while providing a memorable work environment. We are proud of our Grounds culture where talent, leadership, and commitment to each other result in excellence

London Hunt and Country Club is seeking a talented, career minded Equipment Manager for our championship level operation. We are fortunate our membership supports a strong capital equipment purchasing plan and continue to invest in our operation to help supply all team members with the necessary tools/items to meet our championship standards.

The equipment manager reports to the golf course superintendent and coordinates with the assistant golf course superintendent(s) and oversees a comprehensive preventive maintenance program for the golf course assets. The equipment manager works to effectively communicate all needs/problems relating to repair of equipment to the superintendent and/or the assistant superintendent(s), and schedules/directs the work assignments of the assistant equipment mechanic in conjunction with himself/herself. While we are fortunate to have an assistant equipment mechanic, this is still a working position. ***The equipment manager places safety as a top priority and is responsible for maintaining a clean, safe service area and maintenance building.***

This year-round position will present the opportunity to:

- Inspect, diagnose, and repair mechanical defects/failures in various golf course maintenance equipment, including, diesel-, electric- and gasoline-powered mowers, and other mechanical equipment used in golf course maintenance work
- Work with/mentor the assistant equipment mechanic and work with the senior management team to achieve course excellence through commitment
- Develop the art of sharpening using sophisticated grinding equipment and cutting unit theory
- Carry out preventative maintenance as per OEM recommendations, including detailed record keeping
- Help train staff in the safe and efficient use of golf course maintenance equipment within Club SOP guidelines
- Exposure to industry wide networking within the turfgrass industry while representing the Club as a professional leader
- Maintains a preventive maintenance program within budget on all equipment while keeping detailed inventory of purchased parts and replacement
- Spot checks equipment for performance on the course, makes emergency repairs to equipment on the course, and services or supervises servicing of equipment prior to use
- Oversees the shop area maintenance in accordance with MOEE and MOL guidelines

Qualifications required:

- 3-5-years of equipment technician experience within the golf, automotive, agricultural, or heavy equipment field
- Ability to diagnose and repair mechanical, electrical, hydraulic, and on-board computer systems in a timely manner
- Ability to move heavy objects - must be able to lift 50+ pounds
- Ability to fabricate necessary items (tools, parts, etc.) for equipment and equipment maneuverability
- Ability to identify quality of cut issues and determine appropriate repair

Special Requirements:

- Must possess a clean driver's abstract
- Open minded
- Highly flexible, with solid interpersonal skills that allow one to work effectively in a diverse TEAM environment

- Character, commitment to learning, integrity, and a humble desire to continue to climb the mountain
- **HAVE FUN WITH YOUR WORK, AND THE PEOPLE YOU WORK WITH!!!**

The next 2-3 years will be dynamic and exciting as a much-anticipated Master Plan will be implemented. Renowned golf course architects Dr. Mike and Chris Hurdzan, Hurdzan Golf Design in collaboration with course officials have developed a roadmap that will pave the way for strategic infrastructure enhancements.

This full-time leadership position provides a competitive salary range within the golf course industry, pension program, short-term housing, education, and a comprehensive health benefits package that will commensurate based on experience. It is a career role for a professional turf equipment manager seeking a long-term employment opportunity. If you are committed to playing a key role and joining a talented Senior Grounds Management Team, we invite you to email your resume and cover letter with salary expectations to Jayson Griffiths, Golf Course Superintendent at jgriffiths@londonhuntclub.com by October 15, 2021.

The London Hunt and Country Club is an equal opportunity employer. We are committed to equity, value diversity and welcome applicants from diverse backgrounds. London Hunt and Country Club provides accommodations to job applicants with disabilities throughout the hiring process. If a job applicant requires an accommodation during the application process or through the selection process, the hiring manager and Controller will work with the applicant to meet the job applicant's accommodation needs.
