

**Name of Company:** Batteaux Creek (GolfNorth Properties)

**Company Description:**

In the shadow of the Niagara Escarpment, between Collingwood and Devil's Glen, and a short drive from Wasaga Beach – Batteaux Creek Golf Club offers golfers one of the most scenic and playable layouts in Ontario.

Designed by architect Stephen Young (Grey Silo), Batteaux Creek opened for play in 2002, and covers over 250 acres. His design features manicured bent grass fairways, oversized true rolling greens, and plentiful bunkers, natural areas, lakes, and ponds. These all conspire to create numerous risk/reward opportunities – and like all Young designs, playing for bogey is a pretty safe path, but challenging the course for birdies often results in doubles or worse.

**Position to be Filled:** Superintendent

**Position Description:**

The Superintendent will be responsible for all golf course and grounds maintenance. They will work in partnership with the Clubhouse Manager, and report directly to the GolfNorth Head Office. This is an excellent opportunity for a Superintendent who can work independently and to a budget. The Superintendent is responsible for all fertilizer and pesticide applications and will act as the course IPM Agent. First time Superintendents with considerable managerial experience will be considered. GolfNorth Properties presently operates 37 golf properties, so there are significant opportunities for advancement within the company, as GolfNorth has a policy of promoting from within. The position is year-round, with an annual salary of \$75,000 - \$80,000, based on experience.

**Qualifications:**

- Education in Turfgrass Management or related field of study (or considerable practical experience)
- Experience managing staff
- Ability to work independently, with limited supervision
- Ability to work within a budget
- Experience in hiring, training, and replacing staff
- Valid Pesticide Licence
- IPM Agent status
- Mechanical aptitude is a plus
- Excellent communication skills
