

**Name of Company:** Beaconsfield Golf Club

**Company Description:**

The Beaconsfield Golf Club – established in 1904 – is a premier private golf club featuring a classic eighteen-hole course as well as practice areas. Situated in Pointe Claire, on Montreal’s West Island, the Club is currently undertaking an extensive course renovation under the guidance of internationally recognized golf course architects, Jeff Mingay and Christine Fraser.

A turf industry leader is being sought to fill the position of Associate Superintendent. The Associate, aided by the Assistant Superintendent, will help the Head Golf Course Superintendent and the Beaconsfield Golf Club to meet Green’s Committee goals and objectives.

**Position to be Filled:** Associate Superintendent

***Job Description & Responsibilities:***

As a key member of the course maintenance team working in collaboration with the Head Golf Course Superintendent and Assistant Superintendent, the Associate Superintendent will assume the daily oversight of all maintenance and agronomic practices to ensure the superior standards of the club are met. The Associate Superintendent will become the expert in the areas of turf management and assist with human resources and financial management as it applies to the Turf Maintenance Department.

The requisite individual will assist and/or perform the following functions:

- Prioritize and schedule the annual goals of the golf course as well as maintain and manage the weekly goals

- Provide supervision and maintenance of course facilities and amenities – with help of the Assistant Superintendent –in order to ensure high standards are met
- Train and oversee scheduling of turf maintenance staff and educate staff on safe and proper maintenance procedures as outlined by the Golf Course Superintendent
- Assist in supervising all sub-contract work and record the working hours
- Record all weather conditions as well as disease/pest activities on weekly scouting reports
- Act as an ambassador of the Turf & Grounds Department and as an extension of the Golf Course Superintendent
- Maintain all required records including but not limited to course labour, product applications and water levels
- Assist in winter maintenance of the golf course

### ***Qualifications & Required Skills:***

- Diploma from a recognized Turfgrass Program or equivalent career experience
- A valid Quebec Pesticide Applicator's License (or ability to obtain) mandatory
- A valid driver's license mandatory
- A strong working knowledge of irrigation operation and water management
- A minimum of five years of golf course maintenance experience either as a Course Superintendent, Assistant Superintendent, or experienced technician
- Extensive knowledge of equipment, materials, and supplies used in golf course grounds maintenance
- Advanced knowledge of agronomy and turf grass management
- Ability to work independently

*BGC offers a competitive salary and benefits package in line with the experience being sought and responsibilities to be attributed. We strive to promote a strong work-life balance for all employees and therefore allow for predetermined vacation time during the summer months.*

Thank you to all applicants for your interest; only candidates being considered will be contacted.
