Position Description:

- Beginning this fall, the successful candidate(s) will train with the current leadership group with the intention of leading their own crew beginning spring 2023. The Crew Leader will be responsible for on site project management, organizing staff, and completing tasks with minimal supervision.
- This position would be ideal for an individual currently in the golf or turf management industry looking for experience in the construction/renovation sector of the industry.

- **Responsibilities**

- Organization of tasks to complete assignments on agreed upon timelines
- Responsible for maintaining a safe, professional worksite
- Daily assigning of tasks for staff
- Communication with other senior staff and clients as required

Qualifications:

- Experience in the golf course/ sports field / turf management industry
- Valid driver's license
- Experience using various construction equipment (mini-ex, skid steer, loaders, tractors) an asset
- Leadership experience an asset but not required
