

Name of Company: Sawmill Creek Golf Resort & Spa

Company Description:

Sawmill Creek Golf Resort & Spa is a semiprivate golf course located just east of Sarnia and less than an hour from London, the golf course is a conveniently situated getaway that feels much further thanks to an idyllic location along the shores of Lake Huron. The course is a par-71, links-style design that is challenging enough for avid golfers but still playable for beginners.

Position to be Filled: Golf Course Superintendent

Position Description:

- Help train staff on all machinery, including safety procedures.
- Maintain buildings, equipment, and property in a professional manner.
- Regularly and accurately contribute to Superintendent's pesticide and fertilizer management practices stressing IPM.
- Working knowledge of irrigation systems, automated controls, and repairs.
- Daily mowing of Greens, Tees, Fairways and Rough areas using a variety of mechanical equipment
- Daily golf course set-up including hole changing, tee blocks and garbage collection
- Bunker grooming with and without mechanical equipment
- Assist with cultural practices such as topdressing, aeration, brushing, dew removal and watering
- Maintain aesthetics of golf course through clippings collection, line trimming and cart path trimming and clearing

Qualifications:

- Possess a minimum of 2 years formal education, or degree or diploma in turf management.
- Is available for work every day at discretionary hours.
- Approach responsibilities in an organized and energetic manner.

Prior experience as an assistant superintendent or superintendent is an asset.

Resume Submission Deadline: July 01, 2022
