Changes include:

- clarification of the golf facility owner's and the IPM Certified Agent's respective responsibilities
- detailed requirements for IPM Certified Agents wishing to act as an agent for more than one golf facility
- rescheduling fee for on-site audits cancelled by golf facility within 48 hrs of scheduled appointment
- loss of golf facility's accreditation status for failure to comply with on-site audit requirement
- potential loss of certification status for IPM Certified Agents failing to complete annual desk review forms or failing to be present for scheduled on-site audits
