## O.G.S.A.

The WOGSA held four golf events during the 2018 season. The year started off in June at Willow Valley GC with host Mike Giblin. July saw us at Millcroft GC and host Martin Kastrau. In August we paid our first visit to Turnberry GC and host Shane Courtney, and then the WOGSA concluded our year with a sold out joint event with the OGSA at the always great Lookout Point CC and host Aldo Bortolon.

All our golf meetings were very well attended by our members and special thanks goes out to our hosts who had their property's in exceptional condition and of course to our generous suppliers who helped at many events with sponsorship and prizes.

Our year concluded in October with our annual Fall Classic event, a match play event with our friends in the Western New York Golf Superintendents Association. We are happy to report that the WOGSA retained the Fall Classic Cup for the 5<sup>th</sup> consecutive year with a close victory at Grand Niagara GC in Niagara Falls.

The WOGSA continues to give back to our industry with annual awards to the Niagara Parks School of Horticulture and the University of Guelph. This year we were able to make a contribution to the OTRF.

The WOGSA is already planning our events for the 2019 season and we look forward to some great golf courses, good networking, and lots of fun at our events in 2019.
